

# Add on to your Adventure at the Hunting Lodge

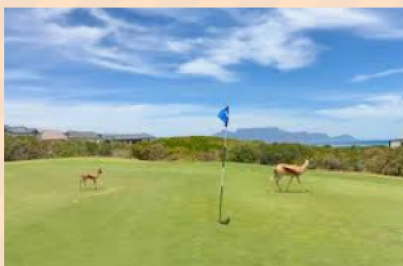

- Kruger National Park and Botswana \$500 p/p p/n

We do tours to Botswana (Victoria Falls Incl), and the Kruger National Park. We charge \$500 per person per night and it includes a Driver/Guide, 4X4 Vehicle or Luxury Mini Bus (depending on terrain), all accommodation and all meals. We usually do this after the hunt has been concluded. The minimum period for these tours are four nights in Botswana and three nights in the Kruger Park. This is due to the distances that must be covered.

- Adventures with Elephants \$350 p/p

Lunch Included - Meet their herd of elephants and learn all about them from trunk tip to tail, as well as their unique personalities, abilities, intelligence, quirks etc. In the Summertime you will have the opportunity to spend some intimate time with some of these majestic elephants in the water.
